

Take advantage of our special services.

We offer all our patients special services that go above and beyond what is typically provided at a dental office.

Our dentists and staff members are **fluent in English, Italian, Farsi and Mandarin**. We understand that you may feel more comfortable communicating in your native language and we are committed to ensuring your needs are met. We also provide you with:

| **TV or music while you wait** or **flexible financing options and during your treatment.** **payment plans.**

| **Wheelchair accessibility.**

Canadian Dental Care Plan

Now accepted at our office.

The CDCP application schedule is opening in phases:

Meet DR. LEONARD TERK

B.Sc. D.D.S.

A caring,
convenient
office to meet
all your dental
needs.

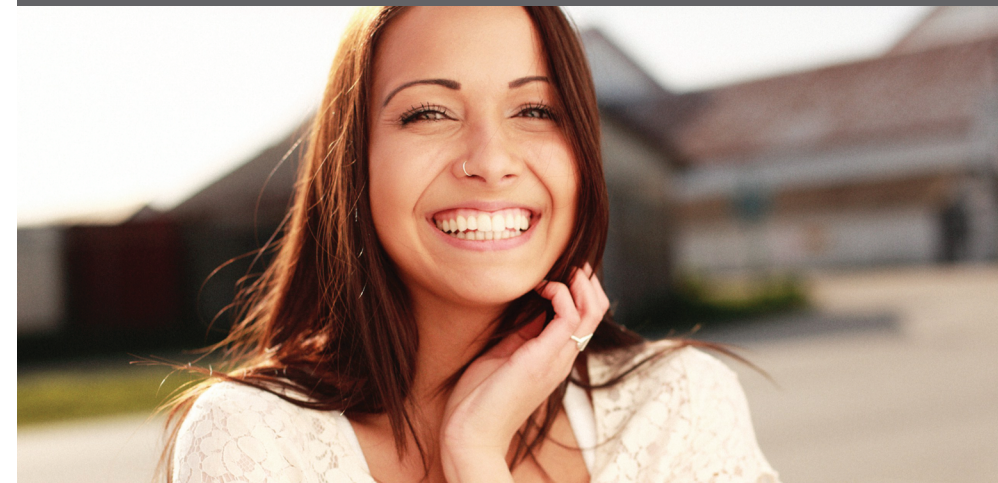

Dr. Leonard Terk is a caring dentist who practices comfortable, health-centered dentistry with strong emphasis on getting to know each of his patients. In addition to his technical proficiency, Dr. Terk is a careful listener and will explain beforehand what treatment is best for your individual needs.

After earning his bachelor's degree from the University of Toronto in 1973, Dr. Terk received his doctorate from the same school in 1978. Dr. Terk is continually focused on improving his practice with the newest techniques and products to bring you personalized dental care in a sterile, safe environment.

Our staff uses the latest procedures,
instruments & techniques. We meet all
CDA Approved sterilization protocols.
